Good Morning Chatham PD Team!

My name is Anthony Modestine, I am the department's coordinator with the Ring<>Chatham PD Partnership. Your department just gained access to our Law Enforcement Portal. Everyone on this email also received access to the Portal and should have received an email from No-Reply@ring.com. Please create your account and Email/Call me if you run into any issues.

Below is a guide to get started which includes directions on creating your account, key takeaways from the training, and your unique department link and promo code for special law enforcement offers.

Neighbors App - The Neighbors App is Rings Digital Neighborhood Watch for your smartphone. You do not need a Ring device to share information, any third-party camera system can upload content.

Portal: Neighbors Feed - This section of the Portal is where LE is able to see all the voluntarily shared information neighbors are sharing to the Neighbors App.

Video Requesting - Ring will reach out to Ring users on your behalf to assist when the department has ongoing investigations. Please reach out to the Head Detective if you have access to this portion of the Portal to learn more.

Creating an Account

Thank You for this post. The video clearly shows that if your doors are locked and your residence has some sort of security, in this case motion lighting, it will deter the criminals. Again thank you for the post. The Wolcott Police are investigating.

Thank's Chief, I just sent out invites to everyone on that list. I will also email the group and inform them about this invite and how to log on. If you wouldn't mind making sure that these officers are fully logged into the Portal within the next week that would be great. I would like to make sure that they do not run into any issues that I should be aware of.

We have recently partnered with Neighbors by Ring. For those that are not familiar with it, it is a way for our residents to share video with us and additionally we can send out alerts and request video when the need arises. I have added you and all of your officers as users. In the very near future you will be receiving an email from Ring inviting you to join and set up your account. Please ensure that officers set up their accounts. Once their accounts are set up we will train them on the use of Neighbors.

Any questions please let me know.

Subject: Ring MOU - Chatham Township Police Department, NJ

Detective Gallo,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Detective David Gallo (dgallo@ctpd.net)
- Investigative (CID/Crime/Property Crime) - TBD
- Public Information Officer / Social Media Liaison - TBD
- Community Outreach Officer - TBD
- Social Media Coordinator - TBD

Thank you again for meeting with me. I look forward to working with you and Chatham Township Police Department.

Sincerely,
